Dear Parties of Record:

This purpose of this email is to confirm the procedural schedule developed by the parties of record during a scheduling conference held by telephone at the date and time agreed upon by the parties of record last week. It is also to memorialize the substance of that procedural telephone conference. It is believed by the parties that only one day would be needed for a hearing in this Docket. It was also requested that the Commission staff inquire of the Clerk's Office if July 7, 2020 was an available date for hearing.

It is also noted that during the procedural conference, ORS stated that it would submit its prefiled testimony at same time as the Petitioner. The Utility argued that if ORS or CCL support the Petitioner, then ORS and CCL should file direct testimony at the same time as the Petitioner. CCL was agreeable to the request of the Utility and will file its direct (if any) at the same time as Petitioner. Generally, the Commission ordinarily follows the order of procedure in Reg. 103-842 so that the Petitioner/Complainant's direct testimony is prefiled first followed by direct testimony of the other parties, including the company, any intervenors, and the ORS. The parties may agree, consent or stipulate to matters. The Commission may waive any portion of its rules and regulations provided such waiver is not contrary to the public interest. Reg. 103-803. It appears that both the Intervenor and ORS has either agreed, consented or stipulated, or they are waiving the ordinary order of procedure, to file any direct testimony at the same time as the Petitioner rather than at the time of the Company and other parties.^

**SCHEDULE DISCUSSED WITH A 7/28/20 HEARING DATE:**

The following procedural schedule was discussed and agreed upon by the parties with the understanding that the proposed Hearing Date of July 28, 2020 at 10:00 a.m. (with July 29, 2020 reserved for any carryover) is subject to approval by the Commission:
